FROM: WILLIAM P. MULLEN, SHERIFF 

DATE: THURSDAY, SEPTEMBER 3, 2020 NUMBER: S-20-0310

SUBJECT: EMPLOYEES OF THE MONTH – SEPTEMBER 2020

I am pleased to acknowledge the selection of **Sergeant Francis Willison and Deputy Sheriff Kelly Mulder** as Employees of the Month for September 2020.

Sergeant Willison, a veteran of the Sheriff's Office with over thirty years of service, is recognized by supervisors for his exemplary work performance, wherein he consistently demonstrates punctuality, promotes teamwork and goes above and beyond duty to positively represent our agency.

In addition to his standard responsibilities as a first line supervisor in the Municipal Courts Division, Sergeant Willison assists Magisterial District Judges with a range of daily operational tasks for preliminary arraignment hearings, alternative placement escapes, walk-in arrests and by rescheduling various cases conducted in the MCB. A very modest individual, Sergeant Willison consistently meets the challenge of every task required of him, seeking no recognition. Throughout the years, he has furthered the mission of the Allegheny County Sheriff's Office in many ways, and most notably, perhaps, as a former K-9 Deputy assigned to our Investigations Division. We appreciate the many ways Sergeant Willison has impacted the Sheriff's Office and wish him well in his official retirement from duty, taking place this month.

I am also pleased to recognize Deputy Sheriff Kelly Mulder, for the various ways she dedicates her knowledge and experience in the medical field to better the services of our agency. As the First Aid/CPR Coordinator for the Allegheny County Sheriff's Office, Deputy Mulder furnished instrumental assistance amending our agency's directives concerning the issuance of naloxone, as well as, ensures and coordinates essential training for all sworn employees. She further provides consultation regarding the acquisition of personal protective equipment and supplies, working tirelessly during the onset of the COVID-19 pandemic to certify the Sheriff's Office was able to acquire necessary resources. She is efficient at balancing the responsibilities of the Criminal Court desk, managing both in-person and phone inquiries, in a highly professional manner. Most notably, however, Deputy Mulder has provided vital assistance during numerous emergency medical calls for incidents occurring at court facilities.

In honor of the efforts displayed by Sergeant Willison and Deputy Mulder, each employee will be granted one full day off work, as long as no overtime is incurred. Please join me in congratulating both Sergeant Willison and Deputy Mulder on a job well done!
